CBSE Economics

IA & Extended Essay

Financial Literacy

AS

Four sides of finance, one career

Deals, public policy, global fund management and private wealth: real-world context for every lesson.

AT A GLANCE

Credibility students can feel in the room

₹2,500 Cr

Client wealth advised at HDFC
Private Banking
≈ US\$260 million

7+ yrs

Across advisory, multilateral,
fund management and private
wealth

LSE

Masters with an Economic Policy
& Finance specialisation

10k+

LinkedIn network of bankers,
policymakers, founders and
alumni globally

“Students don't just need the textbook model, they need to see how a budget, a deal or a portfolio decision actually gets made.”

Four ways I can teach

01

IB Economics & Business

DP and MYP economics taught through live case studies.

- Micro, macro & global economics
- Business Management finance units
- Real data: RBI, BoE, World Bank
- Exam technique & evaluation

02

CBSE Economics & Accountancy

Classes 11–12 brought to life with Indian market examples.

- Indian economy & Union Budget
- Money, banking & RBI policy
- Accountancy & financial statements
- Board exam preparation

03

IA & Extended Essay

Guidance from someone who researches markets daily.

- Topic & research question
- Data sourcing & analysis
- Commentary structure
- Evaluation & real-world links

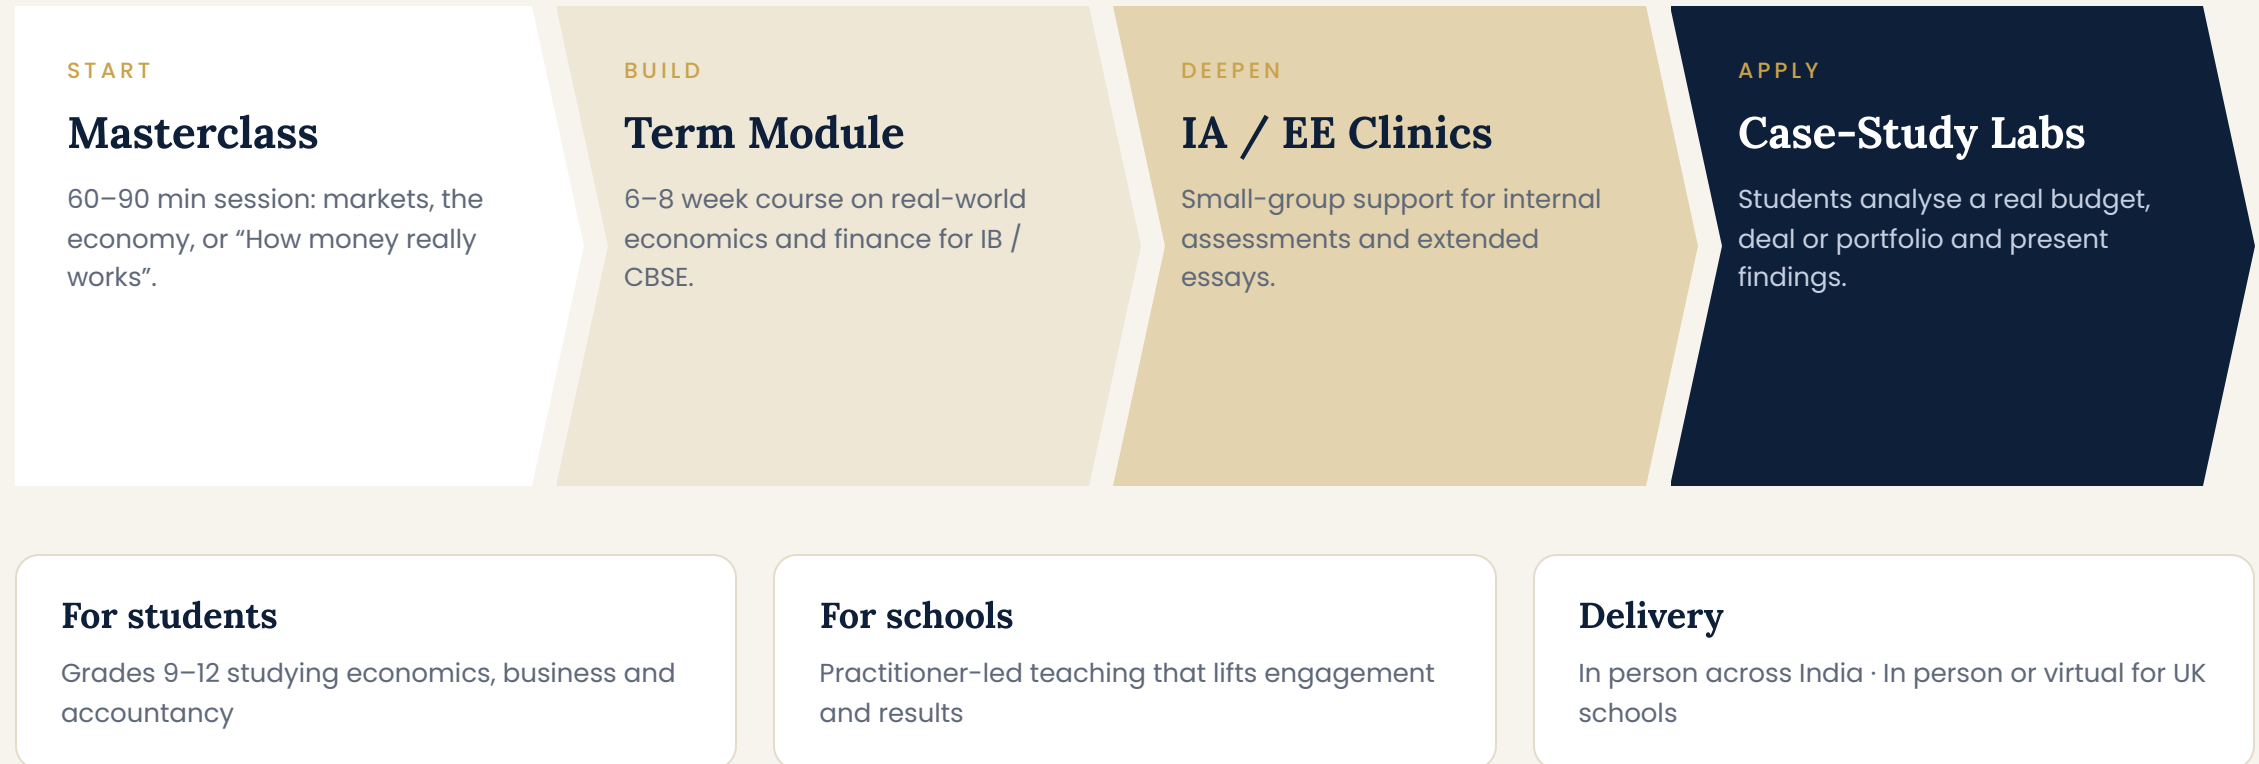

04

Markets & Financial Literacy

The finance life skills no syllabus fully covers.

- How stock markets work
- Investing, risk & compounding
- Budgeting & personal finance
- Reading a company's results

Flexible formats, from one session to a full programme

LET'S TALK

Bring real-world finance into your classroom.

Happy to begin with a complimentary introductory masterclass for your economics students, then shape a programme around your school's goals.
